## How to Get Relief From Catarrh

If you have catarrh, catarrhal discharges, or head noises go to your druggist and get 1 oz. of Parmit (double strength), take this home add to it hot water until just a little sugar as directed in each package. Take 1 tablespoonful 4 times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat.

It is easy to make, tastes pleasant and costs little. Every one who has catarrh should give this treatment a trial. You will probably find it is just what you need. For sale by Summers' Pharmacy.—Adv.

They have secured teachers of handicraft for colored girls at the Neighborhood House; cleaner milk for Gary; helped secure a jitney ordinance and municipal market, agitated the formation of a sanitary district for the Calumet cities; are working for a woman member of the school board and women's suffrage. The women have taken the place of men as snow shovelers as the men are needed in other work or "somewhere in France."

The Gary Department club has given special attention to laws of Indiana relating to children, taxation, housing, health, industry, recreation and courts. They are striving for a more beautiful and better city. On Feb. 12 there is to be a Lincoln Highway Day with Jens Jensen of Chicago, to deliver the address.

2000 pounds of pure coal to the ton

## Heated Arguments and Coal Facts

Our biggest boosters are the men who buy coal in the largest quantities. The factory owners, apartment building owners, office building owners, whose immense yearly purchases of coal makes coal efficiency and coal economy important to them, are our staunchest patrons.

The engineers, janitors and cooks who have the best opportunities of knowing what real coal should do, all sing the praises of our coal because it's the most satisfying and makes their work lighter.

Don't get the idea though because 75 per cent of our business is with the big consumer that we don't want the ton and half-ton orders. We do, and give as fair treatment, courteous attention and prompt delivery on small orders as we do to car lot buyers.
